

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

FEDERAL TRADE COMMISSION,

Plaintiff,

v.

TANNER GARRETT VAUGHN, individually
and doing business as Lead Expose, Inc., and
Uptown Media, Inc.,

Defendant.

Case No.

Exhibits to Plaintiff's Memorandum in Support of Application for Temporary Restraining Order

TRO Exhibit 1

DECLARATION OF LAUREEN FRANCE

Pursuant to 28 U.S.C. § 1746

Background

1. I am an investigator assigned to the Federal Trade Commission (“FTC”) Northwest Region. If called as a witness, I would testify to the following facts, of which I have personal knowledge.

2. As an FTC investigator, I research and investigate entities that may be violating laws the FTC enforces. In January 2011, I was assigned to work on an investigation of certain Internet advertising practices conducted by Tanner Garrett Vaughn.

Affiliate Marketing

3. During my investigation of Tanner Garrett Vaughn, other FTC investigations I have performed, and from information culled from public sources, I have become familiar with the fact that Internet advertising often involves affiliate marketing.

4. In affiliate marketing, a business rewards one or more affiliates for each visitor or customer generated by the affiliate's own marketing efforts. The affiliate is rewarded either directly by the business (often referred to as the “merchant”) whose product the affiliate advertises or by a third party with a relationship with the merchant. In most cases, affiliates are paid a percentage of the product sale that they generate (“cost per sale” or “cost per action”). In other cases, affiliates are paid based on the number of consumers that the affiliate draws to the merchant's website (“cost per click”). To determine the amount of reward for the affiliate, the merchant or a third party tracks the number of consumers drawn to the merchant's site by the affiliate and/or the product sales made by those consumers attributable to the affiliate.

5. In affiliate marketing, affiliates generally aim to attract consumers to a merchant's website and generate product sales. The affiliates can attract consumers to the merchant's website in a number of different ways, including email marketing or display advertising. Display advertising can take the form of banner advertisements or advertisements listed among search results on popular search engines. In some cases, clicking on these advertisements takes a user directly to a merchant's website. In others, the advertisements link to websites set up by

1 affiliates, who use those websites to further attract visitors to the merchant's website. The
2 affiliate's websites then will include links to the merchant's website, and sometimes
3 representations about the merchant's products. A graphic description of affiliate marketing is
4 attached as TRO Exh. 1, p. 13.

5 **Company Registrations**

6 6. TRO Exh. 1, pp. 14-16, is a true and correct copy of a document obtained online from
7 the West Virginia Secretary of State's Online Data Service. This document shows that a
8 company known as Lead Expose, Inc., was:

- 9 a. incorporated in West Virginia on or about May 7, 2008 (p. 14);
- 10 b. incorporated by two individuals, including Tanner G. Vaughn, whose address is listed
11 as 16212 Bothell-Everett Highway, Suite F-126, Mill Creek, Washington 98012
12 (p. 15);
- 13 c. terminated on November 1, 2010 (p. 14).

14 7. TRO Exh. 1, p. 17, is a true and correct copy of a document obtained online from the
15 Washington Secretary of State's Corporation Division. This documents shows that a company
16 known as Uptown Media, Inc., was incorporated on or about March 30, 2010, and became an
17 inactive corporation on or about November 1, 2010. It also lists March 31, 2011, as the
18 company's expiration date. I reviewed the Washington Secretary of State's Corporation
19 Division's website for any recent changes to records for Uptown Media, Inc., and there have
20 been none.

21 **Website Registration**

22 8. TRO Exh. 1, pp. 18-32, consists of true and correct copies of documents that the FTC
23 obtained by compulsory process from domain registrar GoDaddy.com, Inc. ("GoDaddy"). These
24 documents show that:

- 25 a. Tanner Vaughn, identified in GoDaddy records with "Shopper IDs" 15688918 and
26 28097020, registered several websites through GoDaddy.com, including
27 breakingnewsat6.com and channel9newsreport.com (pp. 18-22);

- b. Mr. Vaughn uses the address 16212 Bothell Everett Highway, Suite F126, Mill Creek, Washington, 98012, and the telephone number 425-232-98XX (pp. 18 and 20);
- c. The website breakingnewsat6.com was created on April 13, 2010 (p. 21);
- d. The website channel9newsreport.com was created on June 6, 2010 (p. 21);
- e. Mr. Vaughn paid to have registration information for both websites; breakingnewsat6.com and channel9newsreport.com, kept private (pp. 23-24, 27-29). In other words, Mr. Vaughn paid to have information indicating that he is the registrant of these websites not be revealed in a WHOIS domain name search; rather, the results of a domain name search shows that the registrant of the Vaughn websites is Domains by Proxy, Inc. (*see* TRO Exh. 1, pp. 49-50); and
- f. Mr. Vaughn paid for the registration of these domain names using a general purpose credit card, issued in his name (pp. 23 and 28).

Websites

9. On December 10, 2010, FTC investigative staff used a computer dedicated for investigative use and a software program to capture and make copies of the website at breakingnewsat6.com, and the linked pages from marketers' websites.¹ TRO Exh. 1, pp. 33-42, is a true and correct copy of a printout of that website capture.

10. On January 5, 2011, I used an investigative computer and software program to capture and make copies of the website at channel9newsreport.com. TRO Exh. 1, pp. 43-48, is a true and correct copy of a printout of that website capture.

11. TRO Exh. 1, pp. 49-50, contains true and correct copies of a dnsstuff.com WHOIS domain name search of breakingnewsat6.com and channel9newsreport.com showing that Domains by Proxy is listed as the registrant of both sites.

12. On January 10, 2011, I used an investigative computer and a software program to capture and make copies of the websites at how-to-cure-wrinkles.com and how-to-get-white-

¹ The linked pages from marketers' websites were included in each capture of defendant's websites.

1 teeth.com. TRO Exh. 1, pp. 51-56 and 57-62, respectively, are true and correct copies of
2 printouts of those website captures.

3 13. On January 12, 2011, I used a computer dedicated for investigative use and a
4 software program to capture and make copies of the website at breakingnewsat6.com.
5 TRO Exh. 1, pp. 63-72 is a true and correct copy of a printout of that website capture.

6 14. On January 31, 2011, I visited the breakingnewsat6.com website and clicked on the
7 “Claim your RISK FREE Trial Offer” box in the lower right-hand side of the initial page. I then
8 ordered the product using a credit card account and mailing address dedicated for investigative
9 use. TRO Exh. 1, pp. 73-75, is a true and correct copy of the Acai Order Confirmation email
10 that I received following the order, with certain information redacted to protect investigative
11 resources. I also removed certain unrelated promotional offers that were included with the email
12 confirmation.

13 15. On February 11, 2011, I visited a rented FTC mail box that is dedicated for
14 investigative use. I retrieved the package that I received in response to my free Acai trial order,
15 copied the label, and sent the original package, unopened, to Edward R. Blonz by FedEx.
16 TRO Exh. 1, p. 76, is a true and correct copy of the label from the package containing my free
17 Acai trial order.

18 16. On March 10, 2011, I used an investigative computer and a software program to
19 capture or make copies of the websites at breakingnewsat6.com and channel9newsreport.com.
20 TRO Exh. 1, pp. 77-86 and pp. 87-99, respectively, are true and correct copies of printouts of
21 those website captures.

22 17. On March 10, 2011, while visiting the breakingnewsat6.com website, I clicked on
23 one of the Max Cleanse Pro hyperlinks on the first page of the website (TRO Exh. 1, p. 77). I
24 then ordered the product using a credit card account and mailing address dedicated for
25 investigative use. TRO Exh. 1, p. 100, is a true and correct copy of the Max Cleanse Pro Order
26 Confirmation that I received after ordering the product.

18. On March 17, 2011, I used our investigative computer and a software program to capture and make a copy of the website at breakingnewsat6.com. A true and correct copy of a printout of that website capture is attached to this declaration as TRO Exh. 1, pp. 101-10.

19. On March 28, 2011, I visited a rented FTC mail box that is dedicated for investigative use. I retrieved the package that I received in response to the Max Cleanse Pro order that I placed on March 10, 2011. True and correct copies of the shipping label, the packing slip, and the bottle label are attached to this declaration as TRO Exh. 1, pp. 111-15. I sent the original package, with the bottle unopened, to Edward R. Blonz by FedEx (*see* TRO Exh. 3, pp. 241-76).

20. On March 30, 2011, I used our investigative computer and a software program to capture and make copies of the website at breakingnewsat6.com. TRO Exh. 1, pp. 116-27, is a true and correct copy of a printout of that website.

21. While on the breakingnewsat6.com website, I clicked on the boxes at the top of the first page (p. 116) containing the words:

Home	U.S.	World	Business	Politics	Entertainment	Leisure	Health	Scitech	Opinion	Sports	On Air
------	------	-------	----------	----------	---------------	---------	--------	---------	---------	--------	--------

With the exception of the “Scitech” and “Opinion” boxes, clicking on any one of the boxes links the viewer to a news website at www.newsvine.com, a news-related site apparently owned or operated by MSNBC.com.

Website Claims

22. The breakingnewsat6.com website includes claims about weight loss benefits of the acai berry and other products it promotes. For example, the breakingnewsat6.com website states:

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the [promoted product] and [promoted product] diet! Actually everyone at News 6 is kicking themselves for not having volunteered to be the guinea pig. Using the [promoted product] and [promoted product] in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely! **I couldn't be any happier with the results. I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise** (sic) (emphasis in original).

See, e.g., TRO Exh. 1, pp. 34, 64, 78, 102, and 117.

23. The merchants' websites that are linked to the breakingnewsat6.com website contain different claims about the products promoted on breakingnewsat6.com. For example:

- a. An early version of the breakingnewsat6.com site linked to product pages for "Slim Acai" and "Get Slim Colon Cleanse." The "Slim Acai" site's claims include:

- √ Melt Away Fat
- √ Get Thin for the Holidays
- √ Lose Weight this Winter
- √ Burn More Calories Now
- √ Helps Improve Digestion
- √ Get Slimmer Today

See TRO Exh. 1, p. 37.

The "Get Slim Colon Cleanse" site claims include:

- √ Flush Harmful Waste Today
- √ Get a Flatter, Leaner Stomach
- √ Boost Your Energy & Health
- √ Remove Excess Water Weight

See TRO Exh. 1, p. 40.

Another version of the breakingnewsat6.com site linked to product pages for "Acai Lipo" and "Max Cleanse Pro". The Acai Lipo site claims include:

- √ Melt Away Fat
- √ Feel and Look Thin All Year!
- √ Jumpstart Your Metabolism
- √ Burn More Calories Now
- √ Helps Improve Digestion
- √ Get Slimmer Today

See TRO Exh. 1, pp. 81.

The "Max Cleanse Pro" site claims include:

- √ Flush Out Waste Products

- √ Boost Your Energy + Health Levels
- √ Reduce Excess Water Weight
- √ MaxCleansePro promises the elimination of toxic wastes in your body which have been proven responsible of retaining excess fats and water.

See TRO Exh. 1, pp. 84 and 86.

Website Testimonials

24. The breakingnewsat6.com website has consistently included testimonials or "comments" purportedly from consumers who have used the various Acai Berry products

1 promoted on the website. *See, e.g.*, TRO Exh. 1, pp. 35-36, 65-66, 79-80 and 103-04. The
2 comments include one from a purported consumer named “Diane,” whose comments begin with
3 “[m]y friends and I have all been” *See id.* at 79.

4 25. On January 10 & 13, and again on February 11, 2011, I used an investigative
5 computer, a web browser, and an Internet search engine and searched for the terms “Diane says:
6 My friends and I have all been.” Several different websites were identified in the search results,
7 including the true and correct copies of websites attached to this declaration as TRO Exh. 1,
8 pp. 128-47. All of these websites, each advertising an acai berry or weight loss product, include
9 testimonials or “comments” that are identical or substantially identical to those included in the
10 breakingnewsat6.com website.

11 26. For example, news8reporter.com (TRO Exh. 1, pp. 128-31), advertising a product
12 called “Lean Spa,” includes “comments” identical to those on breakingnewsat6.com from
13 purported consumers identified as Diane, Michelle, Jen, Stephen, Julia/Johanna, Davis, Damo,
14 Amy, James, and Wanda, including the same grammatical and typographical mistakes.

15 27. The website evening8.com (TRO Exh. 1, pp. 132-34), advertising “Acai Energy,”
16 includes “comments” identical to those on breakingnewsat6.com from purported consumers
17 identified as Diane, Michelle, Ashley/Jen, Stephen, Jenna/Johanna, Davis, Damo, Amy, and
18 Wanda, including the same grammatical and typographical mistakes.

19 28. The website health8news.com (TRO Exh. 1, pp. 135-39), advertising “Acai Berry
20 Select,” includes “comments” identical to those on breakingnewsat6.com from purported
21 consumers identified as Diane, Michelle, Jen, Stephen, Karen/Johanna, Davis, Damo, Amy,
22 James, and Wanda, including the same grammatical and typographical mistakes.

23 29. The website channel6reports.com (TRO Exh. 1, pp. 140-43), advertising another
24 weight loss product, includes “comments” identical to those on breakingnewsat6.com from
25 purported consumers identified as Diane, Michelle, Jen, Stephen, Julia/Johanna, Davis, Damo,
26 Amy, James, and Wanda, with the same grammatical and typographical mistakes.

27 30. The website 6news6alerts.com (TRO Exh. 1, pp. 144-47), advertising another weight
28 loss product, includes “comments” identical to those on breakingnewsat6.com from purported

1 consumers identified as Diane, Michelle, Jen, Stephen, Julia/Johanna, Davis, Damo, Amy, James
2 and Wanda, with the same grammatical and typographical mistakes.

3 **Website Images**

4 31. On January 13 and February 11, 2011, I used an investigative computer and a web
5 browser and visited a website known as www.tineye.com, a reverse image search engine that
6 allows one to search a particular image to determine where on the Internet that image is
7 displayed. I entered "breakingnewsat6.com" in the search box. The search results showed the
8 various images that were imbedded in the breakingnewsat6.com site and provided a opportunity
9 to search those images. I clicked on the image of the blond woman who is purportedly a news
10 reporter or journalist, identified as "Johanna" on the breakingnewsat6.com site (*see* TRO Exh. 1,
11 p. 33). The results indicated that the same image was contained in various other websites,
12 including channel9newstoday.com (identified as "Jennifer Stone"), health8news.com (identified
13 as "Karen"), news1alert.com (identified as "Julie"), and madeco.ca. Attached to this declaration
14 as TRO Exh. 1, pp. 148-51, are true and correct copies of the printouts of individual pages of
15 these websites that bear this woman's image.

16 32. On March 17, 2011, I used an investigative computer and web browser, and again
17 visited the website known as www.tineye.com. I searched the image of the purported reporter,
18 "Julia," that appeared on the breakingnewsat6.com website as it appeared on March 17, 2011
19 (*see* TRO Exh. 1, pp. 101-10). The search results showed that the image of that woman
20 appeared in various other websites, including weeklyhealthusa.org and e-cigarette-review.net.
21 Attached to this declaration as TRO Exh. 1, pp. 152-53, are true and correct copies of the
22 printouts of individual pages of these websites that bear this woman's image.

23 **Substantially Similar Verbiage - Breakingnewsat6.com**

24 33. On March 17, 2011, I used an investigative computer and web browser to search the
25 phrase "I volunteered to be the guinea pig. I applied for a," which is found on the first page of
26 the breakingnewsat6.com website (*see, e.g.*, TRO Exh. 1, p. 101). The search results showed
27 links for many different websites. Attached to this declaration as TRO Exh. 1, pp. 154-56, are
28 true and correct copies of the first three pages of the search results.

34. I then clicked the link to four of those websites and, using software to capture websites, downloaded and copied them. These websites, most of which promote certain weight loss products, use language and format substantially similar to the breakingnewsat6.com website. *See e.g.*, TRO Exh. 1, pp. 33-42. Attached to this declaration as TRO Exh. 1, pp. 157-75, are true and correct copies of printouts of the websites identified in my search results, with the domain names channelnews9today.com (featuring “HGC Activator” and “ColoTrim Colon Cleanse,”), channel6healthbeat.com (featuring “Acai VitaBoost” and “Colothin,”), health-news13.com (featuring “Pure Acai Select” and “ColoThin”), and abcnewschannel.com (featuring “Acai Berry Select” and “Digest It”), respectively.

35. For example, each of these websites’ opening narrative mentions the purported reporter’s or news site’s “skepticism” of the weight loss product claims and states that the purported news reporter agreed to be a guinea pig to test the nearly substantially similar weight loss claims for the featured product made on all of these about the different products they feature.

36. In each case, the narrative goes on to introduce a colon cleanse product to be used in conjunction with the weight loss product, followed by a description of the four-week regimen purportedly followed by the featured reporter. In each case, the reporter states: “I couldn’t be any happier with the results. I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise.”

37. The purported reporter then states her “Conclusion” and encourages people to click on provided hyperlinks to order their own free trial of the product:

Conclusion: Like us, here at [News 6/News 9/Channel 6/Health News 13/Weekly Health], you might be a little doubtful about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our [my] own personal study we are pleased to see that people really are finding success with it [Y]ou have nothing to lose Follow the links to the free trials I have provided and know that you are getting a quality product that works; no strings attached!

TRO Exh. 1, pp. 159, 162, 169, 174-74.

Substantially Similar Verbiage - Channel9newsreport.com

38. On March 21, 2011, I used an investigative computer and web browser to search the phrase “First, I did a ton of research on the” which is found on the first page of the

1 channel9newsreport.com website (TRO Exh. 1, pp. 43 and 87). This site promotes online
2 “surplus” (or “penny”) auctions. *See* TRO Exh. 1, pp. 43-48 and 87-99. The search results
3 displayed links for many different websites. TRO Exh. 1, pp. 176-79, contains true and correct
4 copies of the first four pages of the search results.

5 39. I then clicked the link to four of those websites and, using software to capture
6 websites, downloaded and copied them. These websites, most of which promote online
7 “surplus” or “penny” auctions, use language and format substantially similar to the
8 channel9newsreport.com website. *See* TRO Exh. 1, pp. 43-48 and TRO Exh. 1, pp. 87-99.
9 Attached to this declaration as TRO Exh. 1, pp. 180-203, are true and correct copies of the
10 websites identified in my search results and found at channel6newsnow.com, (promoting
11 “BidMacs” Auctions), pennyauctionnewsonline.com, (promoting “Wavee” Auction),
12 toledogazette.com, (promoting “Swoopo”), and dailyhugediscounts.com (promoting
13 “BidRivals”), respectively.

14 40. For example, each of these websites’ opening narrative mentions the purported
15 reporter’s or news site’s “skepticism” of surplus auctions sites and whether they allow
16 consumers to purchase expensive items at deeply discounted prices. This is followed by claims
17 that the narrator, interested in purchasing an expensive electronic product such as a new big
18 screen HDTV, engaged in extensive research to determine which surplus auction site was the
19 most “trustworthy” and best suited for the narrator’s “test.” The narrator purportedly finds that
20 the promoted surplus auction site is the best because of the variety of products available and the
21 site’s reputation. The narrator then explains how the promoted auction site gets the merchandise
22 it sells and describes the type of products available, with pictures of expensive products and the
23 purported low prices that bidders paid for them. This is followed by a description of the
24 narrator’s test of the promoted auction site, step-by-step instructions for using the promoted
25 auction site, and the narrator’s conclusion that:

26 Overall, I had a very impressive experience with [promoted auction site],
27 which was very surprising to me. What once seemed impossible has now
28 turned into a reality, a possibility to get 95% off retail!

TRO Exh. 1, pp. 182, 191, 194, 200.

1 Purported reader responses to the article conclude the discussion on each of the captured
2 websites, as they do on the channel9newreport.com site.

3 **Advertising Directing Internet Users to Vaughn's Websites**

4 41. Pulse 360 Inc. ("Pulse 360") provides online advertising services for online
5 advertisers and publishers. According to Pulse 360, the company assists advertisers to place
6 advertisements on a network of high quality content with desirable demographics. See TRO
7 Exh. 2 ¶ 2, p. 237. Among other things, Pulse 360 provided the FTC with data regarding Tanner
8 Vaughn's purchase of Pulse 360 ad placement services in a spreadsheet, which I reviewed and
9 analyzed. I have redacted some information and hidden some columns, and have sorted the data
10 by date. Attached are two spreadsheets of Pulse 360 data, one containing details about
11 advertising that Pulse 360 ran on behalf of Vaughn, and one containing details about Vaughn's
12 purchases or payments to Pulse 360 for ad placement services. TRO Exh. 1, pp. 204-33 and
13 pp. 234-35, respectively.

14 42. The first spreadsheet, TRO Exh. 1, pp. 204-33, is sorted by "Screen Name" and then
15 by "Date" in order to show the ad placements relative to specific Vaughn websites. For
16 example, the Pulse 360 data shows that with regard to Vaughn's breakingnewsat6.com website,
17 from June 2010 through August 2010:

- 18 a. impressions or views of ads that Pulse 360 placed on Vaughn's behalf were posted on
19 websites and potentially viewed by consumers on the Pulse advertising network on
20 41,029,607 occasions, as determined by Pulse 360's tracking mechanisms (TRO
21 Exh. 1, p. 205, column headed "Impressions"); and
- 22 b. consumers clicked on the ads that Pulse 360 placed on Vaughn's behalf at a variety of
23 sites where Pulse 360 placed those ads, such as MSNBC.com, and linked to the
24 www.breakingnewsat6.com website on 16,107 occasions (TRO Exh. 1, p. 205,
25 column headed "Clicks").

26 43. The first spreadsheet (TRO Exh. 1, pp. 204-33) of Pulse 360 data also shows that in
27 connection with Vaughn's channel9newsreport.com website, from June 2010 through September
28 2010:

- 1 a. impressions or views of ads that Pulse 360 placed on Vaughn's behalf were posted on
2 websites and potentially viewed by consumers on the Pulse advertising network on
3 346,994,580 occasions, as determined by Pulse 360's tracking mechanisms
4 (TRO Exh. 1, p. 233, column headed "Impressions"); and
5 b. consumers clicked on the ads that Pulse 360 placed on Vaughn's behalf on websites
6 and linked to the channel9newsreport.com website on 70,748 occasions (TRO Exh 1,
7 p. 233, column headed "Clicks").

8 44. The second spreadsheet of Pulse 360 data (TRO Exh. 1, pp. 234-35) contains details
9 about Vaughn's payments to Pulse 360 for ad placement services, and is sorted by date.
10 According to data provided by Pulse 360, from May 2009 until February 2011, \$221,236 was
11 deposited with Pulse 360 for ad placement services (TRO Exh. 1, p. 235, column titled
12 "Amount"); this includes the \$219,736 that Vaughn paid using a Visa credit card issued in his
13 name (\$125,000 of which was paid in the months of January and February 2011, the last months
14 for which we have data from Pulse 360), and \$1,500 that was paid using a Visa credit card issued
15 to Uptown Media, Inc. (TRO Exh. 1, pp. 234-35, columns titled "Name on Card" and
16 "Amount").

17 **Miscellaneous**

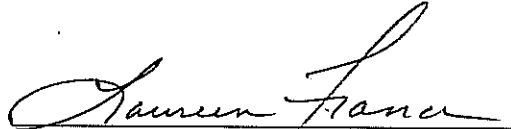

18 45. TRO Exh. 1, p. 236, is a true and correct copy of a U.S. Postal Service form
19 identifying the party that is renting the mail box at 16212 Bothell Everett Highway, Suite F126,
20 Mill Creek, Washington, 98012, the address that Mr. Vaughn has used in connection with his
21 GoDaddy and Pulse 360 accounts.

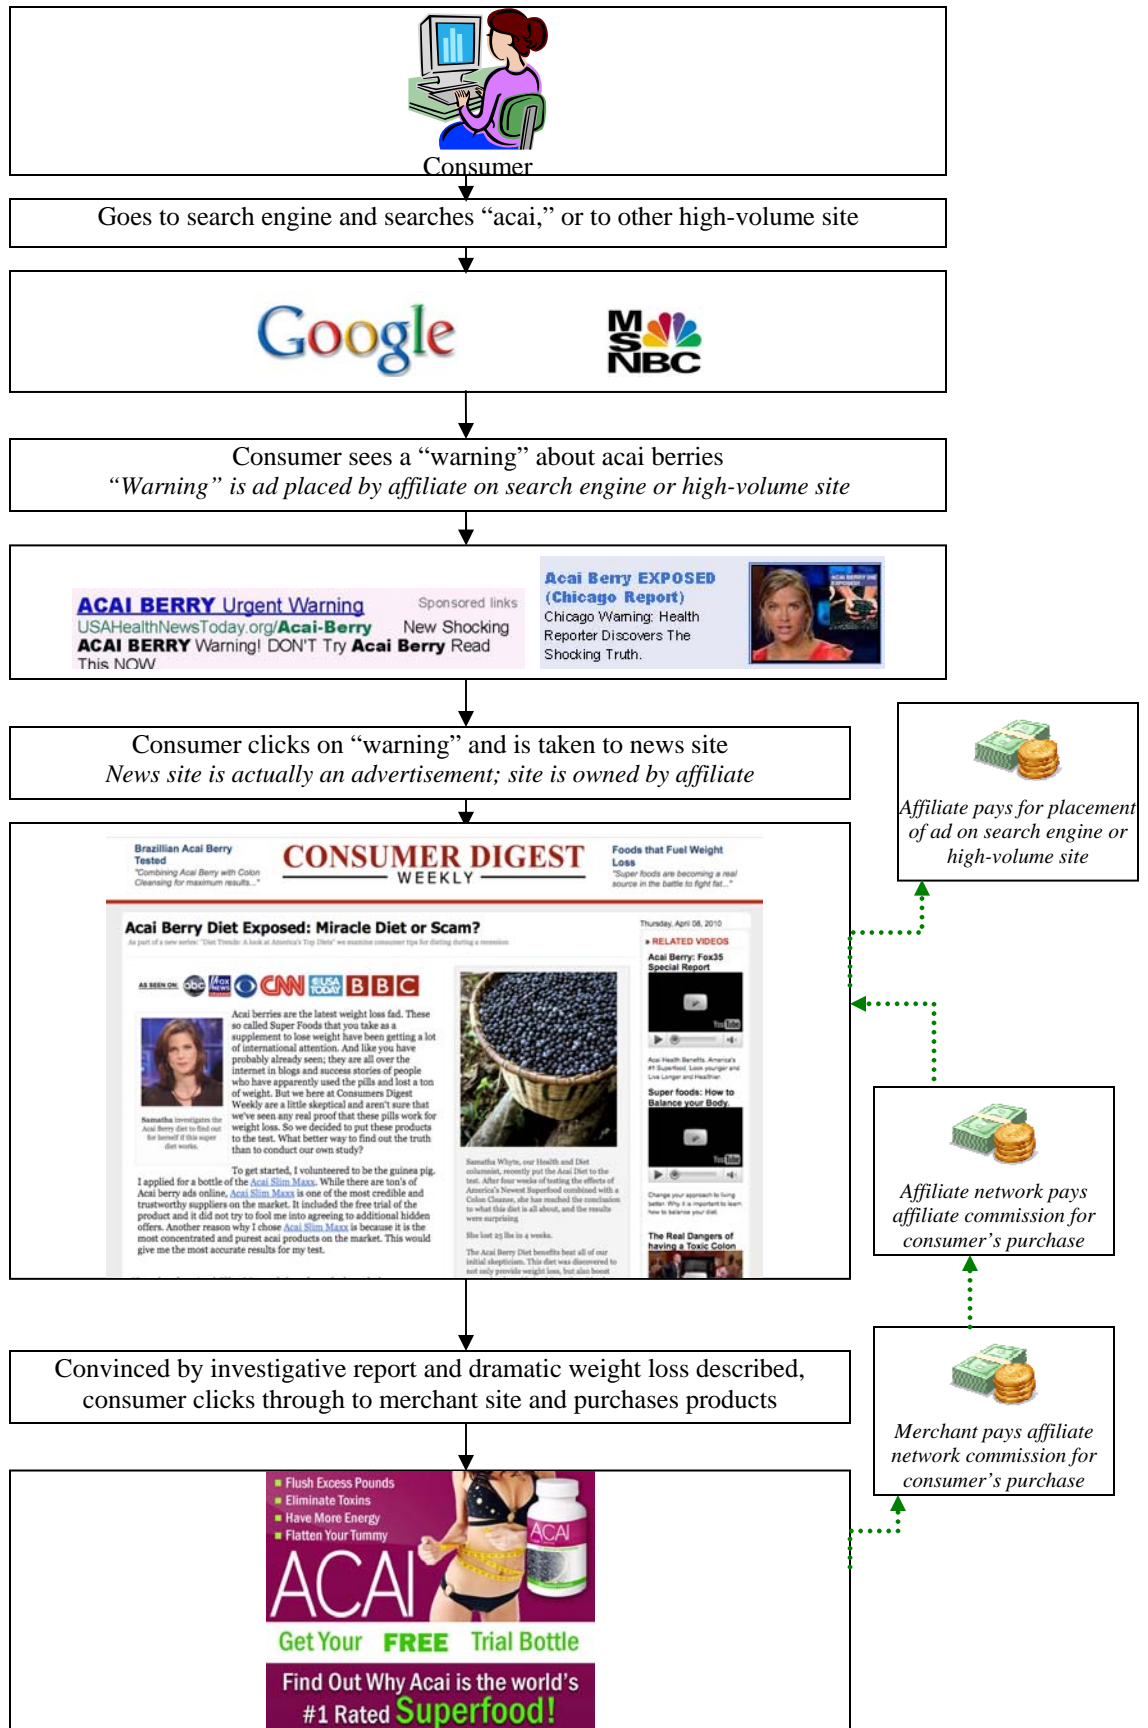

22 46. On February 11, 2011, I used a computer in our office that is dedicated for
23 investigative use, together with a web browser, and visited www.facebook.com, using an
24 account established for investigative purposes. I visited Tanner Vaughn's Facebook account and
25 made copies of certain pages of his "wall," the location where he posts comments and his friends
26 respond. To protect his privacy, these pages are not attached, but are available should the Court
27 wish to view them. Mr. Vaughn's comments and pictures posted on this Facebook page indicate
28

1 that Mr. Vaughn recently purchased a new automobile, which appears to be an Infiniti, and has
2 either traveled to or is planning trips to California, Hawaii, and the Bahamas.

3 I swear or affirm under penalty of perjury that to the best of my knowledge and belief the
4 foregoing is true and accurate.

Acai Berry Diet Exposed: Miracle Diet or Scam?

Acai Berry: Fox35
Special Report

Acai Health Benefits. America's
#1 Superfood. Look younger and
Live Longer and Healthier.

The Real Dangers of
having a Toxic Colon

Special CBS new report on the
importance of colon health. Why
it's important to remove toxins
from your colon.

Johanna investigates the
Acai Berry diet to find out
for herself if this super
diet works.

Acai berries are the latest weight loss fad. These so called Super Foods that you take as a supplement to lose weight have been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at News 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a bottle of the [Slim Acai](#). While there are ton's of Acai berry ads online, [Slim Acai](#) is one of the most credible and trustworthy suppliers on the market. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [Slim Acai](#) is because it is the most concentrated and purest acai products on the market. This would give me the most accurate results for my test.

Here is what Slim Acai claimed on their website...

- Accelerates Fat Loss
- 4 Times More Weight Loss Than Diet And Exercise
- Boosts Energy
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining acai berry with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Acai Berry](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [Get Slim Colon Cleanse](#) to test.

Here is what Get Slim Colon Cleanse claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

And the Get Slim Colon Cleanse, like the Acai Berry, had a free trial

Johanna Stiles, our Health and Diet columnist, recently put the Acai Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

She lost 25lbs in 4 weeks.

The benefits of the Acai berry diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Johanna sleep better and to wakeup more rested.

Putting Acai to the Test

Both the [Slim Acai](#) and [Get Slim Colon Cleanse](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

My Test

4 Week Acai Berry Diet: Slim Acai + Get Slim Colon Cleanse

- [Take one Slim Acai pill per day](#)
- [Take one Get Slim Colon Cleanse pill per day](#)

My Results

Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the Acai Berry which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the Slim Acai and Get Slim Colon Cleanse diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!

Week Four

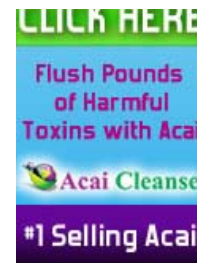

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the Slim Acai and Get Slim Colon Cleanse diet! Actually everyone at News 6 is kicking themselves for not having volunteered to be the guinea pig. Using the Slim Acai and Get Slim Colon Cleanse in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely!

I couldn't be any happier with the results.

I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise

» Weight Loss Tips

1. Set a goal. Identify your ideal weight and set up a plan to start reaching your goal.
2. Don't be afraid to ask for and get help. You're not going to lose weight alone. Tell you family. Get support.
3. Vitamins are good for you. The American diet lacks essential vitamins and minerals. Balance your health with the best supplements.
4. Walk the Walk. You burn calories when you walk, did you know that? Keep active and balance your diet with regular exercise.
5. Sleep it off. To be an efficient fat-burning machine, your body requires at least eight hours of sleep a night. If you think that you're doing yourself a favor by sleeping less, you're mistaken.

Conclusion: Like us, here at News 6, you might be a little doubtful

about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our own personal study we are pleased to see that people really are finding success with it (myself included :)). And you have nothing to lose. Follow the links to the free trials I have provided and know that you are getting a quality product that works; no strings attached!

Good luck with your weight loss,

The Media is **SOLD** on Acai

News MEDIA

Acai berries are among the most nutritious foods of the Amazon, rich in B vitamins, minerals, fiber, protein and omega-3 fatty acids. Acai berries also contain oleic acid (omega-9), a beneficial fatty acid (often mistakenly referred to as essential). (12)

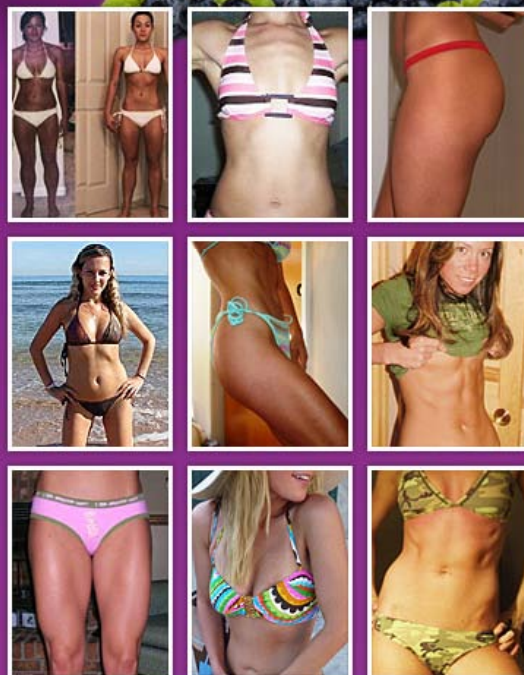

News MEDIA

Studies show that the acai berry is one of the most nutritious foods in the world. Acai pulp contains 10 times more antioxidants than red grapes and 10 to 30 times the anthocyanins of red wine; a synergy of dietary fiber and phytosterols to help promote cardiovascular and digestive health. (13)

News MEDIA

Acai is packed full of antioxidants, amino acids and essential omegas. The pulp also contains a concentration of antioxidants, to help combat premature aging, with 10-30 times the anthocyanins of red wine. FEATURED ARTICLE: Parasites Are Everywhere!

Every living being has at least one parasite that lives inside or on it, and many, including human beings have even more!

According to scientists, the food we eat gets broken down and passed through our systems as waste. However, small portions of **waste gather in our colons**, binding to the colon walls, becoming toxic over time. It is our responsibility to cleanse out systems of such toxic matter, thereby lowering our risk of disease and illness.

Feel Lighter & Stay Healthier

It's *not* uncommon for people to carry as much as **thirty pounds of toxic waste** in their colon. In fact, autopsies often reveal colons that are plugged up to 80% with waste material.(1) But you can STOP the cycle. GetSlimPackage is a unique colon cleanser. It contains all natural ingredients that help flush out harmful parasites, impacted waste and toxins from the colon leaving it cleansed and detoxified.*

The Standard American Diet (SAD) for most Americans consists of high levels of fat and foods with high levels of preservatives.(2) When you add to that, pollution, red meat, refined foods and other environmental factors, your insides can become contaminated and leave you feeling yucky and run-down.

An average American will eat 4-6 meals a day and typically will have a bowel-movement every 30 hours. But in our society filled with junk-food, refined food and preservatives, 48 hours is more common. Colons that contain parasites can become impacted with waste that can prevent nutrients for cells from being absorbed. As a result you will tend to eat more in order to get enough nutrition throughout the day which can lead to weight gain.(3)

New Penny Auction Site xBids Saves Consumers 95% Off Retail!

As part of a new series: "How to Save Big Bucks When Shopping Online"

Johanna investigates hot deals and shopping trends, like xBids and other penny auctions.

Surplus auction websites are a new phenomenon that is quickly spreading through North America and Europe (like you have probably already seen). They are all over the internet in blogs and success stories of people who have apparently bought expensive items at very little cost. However, we were very skeptical of whether or not these surplus auction sites were real, so we decided to put them to the test. What better way to find the truth than to conduct our own study?

I wanted to buy a **new HDTV**, so I was put in charge of the test.

First, I did a ton of research on the subject to find out which surplus auction site was the most trustworthy and ultimately would be best suited for my test. After hours and hours of research I came to the conclusion that **xBids** was best because of its wide variety of products and great reputation. The way these auction sites supposedly work is that you buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. **xBids had a new promotion**, for a limited time, they are giving out 20 bonus bids on signup. This created an ideal situation for me, giving me the bids necessary to thoroughly test the site. This promotion is to help spread the word about shopping with **xBids** and show people how much they can save with surplus auctions.

Wondering How xBids Can Provide Such Deals?

xBids gets their items from warehouse closeouts, surplus auctions, and liquidation clearance auctions. This is how they can offer such low prices in comparison to retail outlets.

What Do They Put Up For Auction?

I've seen everything from cars to phones, computers, laptops, TVs, cameras, stereo equipment and **pretty much anything you can think of.**

tryagain2 Won a \$499 iPad On **xBids** for **\$14!**

Hot Deals and Shopping Trends writer Johanna recently put **xBids** to the test and the results were very surprising.

She saved \$1,867 Off Retail

xBids beat all of our initial skepticism. People now can really get 95% off retail, which is quite amazing to say the least.

Putting xBids to the Test

After going through a simple registration process on [xBids](#), I got my bids and began to try and win items listed up for auction. Before registering, I was still a little confused about the whole process - but after registering everything became clear.

I began to bid on the item I was after, a 42" Panasonic LCD TV. Surprisingly, I won after a very short period of bidding. **It cost me only \$67.50 total for a \$899 HDTV!**

To make sure this wasn't a fluke, I decided to try again to see if I could win another item - again, to my surprise I won yet again - this time the savings were bigger! **I ended up spending \$163 for a \$1,199 MacBook Pro.** Very impressive, and I don't think stores can match such deals!

Shipping - after I won the products and paid for them - I received the items in only a few days. Within a short period I had my items in hand. Simply amazing.

My Full Experience With xBids*

Week One

Research on the surplus Auction system and how it works, and how you could legitimately get 95% off retail prices. You buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. I saw there were many users who won multiple auctions and knew with the right strategy that could be me.

Week Two

After finding that xBids was the most legitimate surplus auction site around, I decided to register with the promo code and claim my 20 bonus bids. I messed up on my first try, and didn't win the auction, but it didn't cost me much, so I continued to try to really find out if this system works.

I developed my system. I started to look for an auction that didn't have a lot of bidders. Typically these were the auctions taking place between 2am-5am EST.

Week Three

After some trial and error, I was able to win my first auction. After that, I decided I'd try again and see if it was possible to win more than once in a row. This possibility became a reality, and I won my second auction. After this, my bids were mostly spent, however I was VERY EXCITED to see my cheap items being shipped!

Week Four

I received my items, and they were in mint condition. Packaging was very good. I will never use a regular auction site again! I still can't believe I received these items for such a discounted price!

I couldn't be any happier with the results

A Step-By-Step Guide To xBids

Now that you know [xBids](#) can offer real savings, you may be wondering how exactly it works. Don't worry – we'll tell you everything you need to know! Here is our step-by-step guide to get you started:

Step 1:

Register as a user at [xBids](#) and get your bids.
Use promo "freebids" and receive an additional 20 free bids!

Promo code expires on Thursday, January 6, 2011.

Step 2:

Search the auctions until you find an item that appeals to you.

Step 3:

Start placing your bids.

Step 4:

When you win the auction, you'll be taken to the checkout where you can buy your item at a deep discount!

It's really that easy!

Conclusion

Overall, I had a very positive experience with [xBids](#), which was very surprising to me. What once seemed impossible has now turned into a reality, a possibility to get 95% off retail!

P.S. [xBids](#) has agreed to keep the promo active for our readers for a short while longer. Get in on it while you can!

OMG thanks xBids! I actually got a discount on my iPad, when other people are literally camping outside the store downtown to get one!

Michelle says: 12:58 PM Tuesday, January 4, 2011
What determines when an auction ends? It seems like the timer is reset back to 10 seconds as people continue to bid, then suddenly the auction is over and the item is SOLD even though people are still bidding, right!? So, at some point, does the auction just end regardless of whether bids are still be entered? Thanks.

John@xBids says: 1:54 PM Tuesday, January 4, 2011
The timer is reset each time a person bids, therefore, an auction ends when no one else bids. It never ends when people are still bidding. We want everyone to have a fair chance.

Davis says:

6:05 PM Tuesday, January 4, 2011

will the items I purchase be unused or brand new? are refurbished or open box items allowed to be sold in the auction? Also, what is the return policy if the item is defective? Can it be returned to the manufacturer or back to the auction site?

John@xBids says:

7:17 PM Tuesday, January 4, 2011

All of our products are brand new and will not have been opened. If you get a defective item, definitely let us know upon receiving the package and we'll figure out a solution to the issue. You will typically either get a new product in its place, or will get your money back.

Amy says:

7:38 PM Tuesday, January 4, 2011

So what do I end up paying for my item? If I win an auction, what do I owe?

John@xBids says:

8:31 PM Tuesday, January 4, 2011

Winning the auction means that you owe the ending price and shipping of that product. You purchase the right to bid on any auction up front, before you even start the auction process.

Wanda says:

9:45 PM Tuesday, January 4, 2011

I love this site!!! I won a Macbook, iPod, and even a TV for under 200 bucks! This stuff normally costs over2 grand! Thanks for the help John!!!

Beauty & The Recession

"Many people are no longer able to go to the dermatologist..."

Tip of the Week
"Get clear, smooth skin, without breaking the bank ..."

Don't Break the Bank: A Mom's Trick to Cure Wrinkles and Get Youthful Skin

STORY HIGHLIGHTS

- Mom discovers trick to get rid of wrinkles from home.
- Coupons bring down the cost to under \$3.
- Combining LifeCell and Cupuacu Vital is key.

(HCW) -- Amidst the second worst recession in United States history, thrifty consumers are turning to the internet to take advantage of special offers.

Amy, an ordinary mom from Lynnwood, WA Los Angeles, CA discovered a clever trick to get celebrity skin for less than \$3.

Thanks to the trick she discovered, thousands of consumers have been able to get rid of wrinkles from home.

STEP 1:

First get [LifeCell](#)
(use our exclusive link for \$1.25 S&H)

STEP 2:

Then get [Cupuacu Vital](#)
(use our exclusive promo code: SKIN)

*This is key. Use both for results like Amy

Amy, a Los Angeles, CA school teacher and full time mother, is one such consumer. It all started about three months ago when she bought an authentic Coach pocketbook on sale for only \$55 (75% off the retail price). She was determined to seek out other great offers and recently made her best find. Amy discovered a clever way of combining two different skincare offers from two different companies –LifeCell and Cupuacu Vital -- to get results similar to that of a professional whitening done by a dentist. Rather than spending \$500 on botox or other surgeries, she was able to cure her wrinkles for less than \$3 by using free trial offers she found online.

Amy: "I like to consider myself a smart shopper, always finding the best bang for my buck. My online wrinkle cure discovery was without a doubt one of the best finds I made this year."

How did Amy wind up with wrinkled skin?

"While my mom always told me be to be proud of who I am and what I look like, I have always been self conscious about my skin. Truthfully, I have no one to blame for this problem but myself. I smoked for 8 years, drink 2 cups of coffee a day (only way to stay awake at work), and probably eat just a little too much fast food (okay, I admit, quite a lot!) Furthermore, I would be lying if I said that I drank more than 3 cups

of water a day every day. While I recently quit smoking and have cut back on the amount of coffee I drink, my skin issues seemed to be permanent. I used just about every "trick" and wrinkle product on the market and saw little if any improvement.

A co-worker of mine recently recommended to do some research online before making my next purchase. As an elementary school teacher with a modest salary and a sizeable mortgage, cost was a major concern. While searching the Web I found a few online skincare companies giving away free trials where you only had to pay a few dollars for shipping. I ordered two products, LifeCell and Cupuacu Vital, both of which had 9/10

Amy's Face Closeup:

During the 14 days period Amy documented this progress with her camera:

LifeCell Celebrity Endorsements

ratings and positive feedback from all users. After using the first product the results were noticeable, but after following with the second product I had even better skin. I'm far from a medical expert, but it appears that each product focused on DIFFERENT parts of the problem and that the second one put the youthful look into overdrive. By using them both in a row I had absolutely unbelievable results. I can't believe companies are practically giving these products away!"

Amy: "I'm an optimist and always look for the silver lining in any situation. While this recession has negatively impacted me like everyone else, my savvy shopping skills got me the skin I always wanted."

Online skincare companies are DESPERATE for new customers and are giving away free trials as a way to find new clients and offload excess inventory. You can and should take advantage of the downturn in the economy just like Amy.

When asked to elaborate on her discovery Amy said:

"I was impressed with the results after the first 3 days – but once I saw my face after a week, I was absolutely blown away... I knew I was onto something. The trick is to use TWO trial products that compliment each other TOGETHER to give yourself a look comparable to that of your favorite actress."

We would like to thank Amy for this amazing skincare tip. If you are interested in using Amy's trick, we have provided links and coupon code information for the two products she used. After further research, we have learned that these coupon codes will work until Tuesday, March 2, 2010, so you have until then to obtain these free trials. Remember, to get results like Amy's, you will want to use BOTH products together (\$1.25 for LifeCell, \$1.50 for Cupuacu Vital, valid until Tuesday, March 2, 2010):

Don't Break the Bank: A Mom's Trick to Whiter Teeth

STORY HIGHLIGHTS

- Mom discovers trick to get white teeth from home.
- Coupons bring down the cost to under \$4*.
- Combining [Celebrity White Smile](#) and [DentaSmile](#) is key.

(CDW) -- Amidst the second worst recession in United States history, thrifty consumers are turning to the internet to take advantage of special offers.

Amy, an ordinary mom from Lynnwood, WA discovered a clever trick to get a celebrity smile for less than \$4.

Thanks to the trick she discovered, thousands of consumers have been able to whiten their teeth from home.

STEP 1:

First get [Celebrity White Smile](#)
(promo code: Smile)

STEP 2:

Then get [DentaSmile](#)
(use promo code: Smile)

This is key:

Use both for results like Amy's

Amy, a Lynnwood school teacher and full time mother, is one such consumer. It all started about three months ago when she bought an authentic Coach pocketbook on sale for only \$55 (75% off the retail price). She was determined to seek out other great offers and recently made her best find. Amy discovered a clever way of combining two different teeth whitening offers from two different companies – [Celebrity White Smile](#) and [DentaSmile](#) -- to get results similar to that of a professional whitening done by a dentist. Rather than spending \$500 at her local dentist to attain a sexy smile, she was able to do so for less than \$4 by using free trial* offers she found online.

Amy: "I like to consider myself a smart shopper, always finding the best bang for my buck. My online teeth whitening discovery was without a doubt one of the best finds I made this year."

How did Amy wind up with yellow teeth?

"While my mom always told me be to be proud of who I am and what I look like, I have always been self conscious about my yellow teeth. Truthfully, I have no one to blame for this problem but myself. I smoked for 8 years, drink 2 cups of coffee a day (only way to stay awake at work), and love a glass of red wine to help me sleep at night. Furthermore, I would be lying if I said that I brushed my teeth 3 times a day every day. While I recently quit smoking and have cut back on the amount of coffee I drink, my tooth discoloration seems to be permanent. I used just about every "whitening" toothpaste and mouthwash product on the market and saw little if any improvement.

A co-worker of mine recently recommended to do some research online before making my next purchase. As an elementary school teacher with a modest salary and a sizeable mortgage, cost was a major concern. While searching the Web I found a few online teeth whitening companies giving away free trials where you only had to pay a few dollars for shipping. I ordered two products, [Celebrity White Smile](#) and [DentaSmile](#), both of which had 9/10 ratings and positive feedback from all users. After using the first product the results were noticeable, but after following with the second product I had a celebrity white

smile. I'm far from a medical expert, but it appears that each product focused on DIFFERENT parts of the problem and that the second one put the whitening effect into overdrive. By using them both in a row I had absolutely unbelievable results. I can't believe companies are practically giving these products away!"

Amy: "I'm an optimist and always look for the silver lining in any situation. While this recession has negatively impacted me like everyone else, my savvy shopping skills got me the smile I always wanted."

Online teeth whitening companies are DESPERATE for new customers and are giving away free trials as a way to find new clients and offload excess inventory. You can and should take advantage of the downturn in the economy just like Amy.

When asked to elaborate on her discovery Amy said:

"I was impressed with the results after the first 3 days – but once I saw my teeth after a week, I was absolutely blown away... I knew I was onto something. The trick is to use TWO trial products that compliment each other TOGETHER to give yourself a whitening comparable to that of your favorite actress."

Consumers Digest Weekly would like to thank Amy for this amazing teeth whitening tip. If you are interested in using Amy's trick, we have provided links and coupon code information for the two products she used. After further research, we have learned that these coupon codes will work until Thu, Feb. 11, 2010 , so you have until Thu, Feb. 11, 2010 to obtain these free trials. Remember, to get results like Amy's, you will want to use BOTH products together (\$1.95 for *Celebrity White Smile* , \$1.95 for *DentaSmile* , valid until Thu, Feb. 11, 2010):

STEP 1: [Click here for Celebrity White Smile](#) (Use Promo Code: Smile) (note: Thu, Feb. 11, 2010)

STEP 2: [Click here for DentaSmile](#) (Use Code: Smile) (note: Thu, Feb. 11, 2010)

Johanna investigates the
Acai Berry diet to find out
for herself if this super
diet works.

Acai berries are the latest weight loss fad. These so called Super Foods that you take as a supplement to lose weight have been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at News 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a bottle of the [Slim Acai](#). While there are tons of Acai berry ads online, [Slim Acai](#) is one of the most credible and trustworthy suppliers on the market. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [Slim Acai](#) is because it is the most concentrated and purest acai products on the market. This would give me the most accurate results for my test.

Here is what Slim Acai claimed on their website...

- Accelerates Fat Loss
- 4 Times More Weight Loss Than Diet And Exercise
- Boosts Energy
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining acai berry with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Acai Berry](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [Get Slim Colon Cleanse](#) to test.

Here is what Get Slim Colon Cleanse claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

And the Get Slim Colon Cleanse, like the Acai Berry, had a free trial

Johanna Stiles, our Health and Diet columnist, recently put the Acai Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

She lost 25lbs in 4 weeks.

The benefits of the Acai berry diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Johanna sleep better and to wakeup more rested.

Putting Acai to the Test

Both the [Slim Acai](#) and [Get Slim Colon Cleanse](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

My Test

4 Week Acai Berry Diet: Slim Acai + Get Slim Colon Cleanse

- [Take one Slim Acai pill per day](#)
- [Take one Get Slim Colon Cleanse pill per day](#)

My Results

Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the Acai Berry which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the Slim Acai and Get Slim Colon Cleanse diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!

Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the Slim Acai and Get Slim Colon Cleanse diet! Actually everyone at News 6 is kicking themselves for not having volunteered to be the guinea pig. Using the Slim Acai and Get Slim Colon Cleanse in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely!

I couldn't be any happier with the results.

I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise

» Weight Loss Tips

1. Set a goal. Identify your ideal weight and set up a plan to start reaching your goal.
2. Don't be afraid to ask for and get help. You're not going to lose weight alone. Tell you family. Get support.
3. Vitamins are good for you. The American diet lacks essential vitamins and minerals. Balance your health with the best supplements.
4. Walk the Walk. You burn calories when you walk, did you know that? Keep active and balance your diet with regular exercise.
5. Sleep it off. To be an efficient fat-burning machine, your body requires at least eight hours of sleep a night. If you think that you're doing yourself a favor by sleeping less, you're mistaken.

Conclusion: Like us, here at News 6, you might be a little doubtful

about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our own personal study we are pleased to see that people really are finding success with it (myself included :)). And you have nothing to lose. Follow the links to the free trials I have provided and know that you are getting a quality product that works; no strings attached!

Clinically Proven Results!

TRO Exh. 1, p. 000067

Hydroxatone has Been Proven in a 60-Day Independent Survey to Produce Results:

- 100% of survey participants say they would recommend Hydroxatone to a friend.
- 90% of participants noticed a visible reduction line and deep wrinkles.
- 90% of participants have received compliments on their skin after using Hydroxatone.

All-Natural Ingredients

Hydroxatone® is unlike any other skin cream you have ever seen. Most products use one or maybe two of these important ingredients necessary for results. Hydroxatone® uses all four:

MATRIXYL™ 3000

Matrixyl™ 3000² was designed to promote collagen production in the skin. In a clinical trial, Matrixyl™ 3000, the key ingredient in Hydroxatone, achieved the following results:

- Promote collagen production by up to 35%
- 45% decrease in deep wrinkles
- 37% decrease in the appearance of wrinkle density

ARGIRELINE

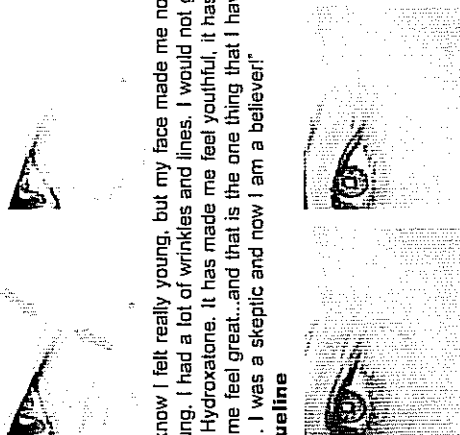

Argireline delivers anti-wrinkle results. It is a combination of amino acids formulated to relax facial wrinkles, reduce the degree of existing wrinkles, and stop their future development.

HYALURONIC ACID

Hyaluronic Acid is virtually unmatched in hydrating the skin because of its ability to retain water more effectively than any other natural substance. Supplementation of HA provides increased smoothness, softening, & elasticity to combat facial wrinkles.

SPF

SPF protects your skin from the sun. Most people don't wear sun screen every day even though it is common knowledge that the sun is the number one cause of facial wrinkles. Hydroxatone® contains a **600000** amount of SPF to shields against UVA/UVB rays which

"You know I felt really young, but my face made me not feel so young. I had a lot of wrinkles and lines. I would not give up on Hydroxatone. It has made me feel youthful, it has made me feel great...and that is the one thing that I have just lacked. I was a skeptic and now I am a believer!"

Jacqueline

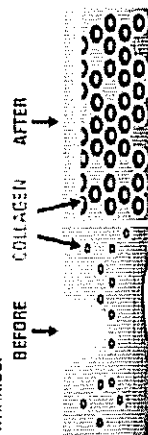

"When I got divorced the stress took its toll on my skin and I started using Hydroxatone. The other day a guy in his twenties asked me for my number...well I had to show him a picture of my kids to prove that I have two teen-agers!"

BOOSTS COLLAGEN PRODUCTION

The diagram below represents what happens to the skin when Collagen production is enhanced. Collagen is what gives young skin its firmness. It is a natural protein that provides our bodies with structural support. As we age, our body produces less & less collagen. We start to see our skin wrinkle and lose its youthful vibrant glow. By replenishing the collagen levels in our skin, we help slow down the appearance of aging and reverse existing wrinkles.

FRESH AND YOUTHFUL SKIN

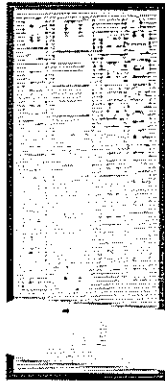

Matrixyl™ 3000, one of the main active ingredients in Hydroxatone®, works by supporting three key building blocks needed for fresh, youthful skin.² It helps your skin to revitalize natural levels of the Collagen, Hyaluronic Acid, and Fibronection.

The Media is **SOLD** on Acai

News MEDIA

Acai berries are among the most nutritious foods of the Amazon, rich in B vitamins, minerals, fiber, protein and omega-3 fatty acids. Acai berries also contain oleic acid (omega-9), a beneficial fatty acid (often mistakenly referred to as essential). (12)

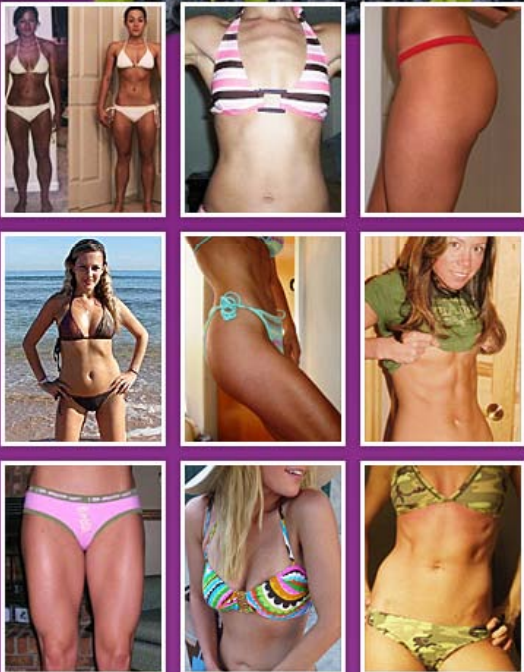

News MEDIA

Studies show that the acai berry is one of the most nutritious foods in the world. Acai pulp contains 10 times more antioxidants than red grapes and 10 to 30 times the anthocyanins of red wine; a synergy of dietary fiber and phytosterols to help promote cardiovascular and digestive health. (13)

News MEDIA

Acai is packed full of antioxidants, amino acids and essential omegas. The pulp also contains a concentration of antioxidants, to help combat premature aging, with 10-30 times the anthocyanins of red wine.
